HUSBAND SAVED HIS WIFE

Stopped Most Terrible Suffering by Getting Her Lydia E. Pinkham's Vegetable Compound.

Denison, Texas.—"After my little girl was born two years ago I began suffering with female trouble and could hardly do my work. I was very nervous but just kept dragging on until last summer when I got where I could not do my work. I would have a chill every day and hot flashes and dizzy spells and my head would almost burst. I got where I was almost a walking skeleton and life was a burden to me until one day my husband's step-sister told me I would not last long and told him to get your medicine. So he got Lydia E. Pinkham's Vegetable Compound for me, and after taking the first three doses I began to improve. I continued its use, and I have never had any female trouble since. I feel that I owe my life to you and your remedies. They did for me what doctors could not do and I will always praise it wherever I go."—Mrs. G. O. LOWERY, 419 W. Monterey Street, Denison, Texas.

If you are suffering from any form of female ill, get a bottle of Lydia E. Pinkham's Vegetable Compound, and commence the treatment without delay.

OFFICER FERRY HAS BUSY NIGHT ON AUTO CHASES

Motorcycle Policeman Captures Parties Using Machine They "Borrowed"

Motorcycle Policeman W. B. Ferry Sunday night set up a record for apprehending auto thieves which is the envy of his associates. Ferry received notice from the police station at exactly 8:58 to locate car 2566 and to arrest its occupants. At 9:17 the sergeant was booking the defendants at the receiving station.

Due to team work on the part of Mrs. Charles L. Hall of 2601 Nuuanu street, the receiving station officers and Ferry there are now under arrest four Schofield soldiers, C. H. Smith, M. F. Cooke, W. J. Drew and M. Fisher charged with stealing Stanley Livingston's car from in front of the Central Union church. Incidentally Ferry drove the defendants to the police station at the point of his gun.

Mrs. Hall, from inside the Central Union church, saw soldiers walking about the car, later she saw them in Livingston's car, No. 2566, and immediately informed the police, who in turn sent out orders to motorcycle policemen to be on the sharp lookout.

Ferry had hardly received his orders before he caught the numbers "25" on a passing machine. Before he could reach further the number disappeared as if the tail light had been turned off. The officer sped up alongside the machine, ordered it stopped and placed the men under arrest when he found the number for which he was in search.

But Ferry's work was not yet over. Almost in front of the police station the soldiers swerved down a side street, so Ferry says, and shot off into the darkness. As the policeman took up the chase this time he drew his gun and when he had run them down the second time there was a determined glint in his eyes as he "covered" them and told them to "cut out" their tricks and proceed to the station at once.

The police think the quartet may be responsible for the theft of another car stolen from Schofield Barracks last week, driven into Honolulu and lost somewhere in the city. It has not yet been found.

"Both cars stolen were Overlands," says Ferry, "and possibly the driver only knows how to drive that make. I believe the men came to town in the other Overland, hid it away in some deserted by-road and then stole Livingston's car in an effort to get back to the barracks."

Y. W. WILL HAVE DRAMATIC CLASS; STARTS TONIGHT

A class in dramatics will be organized at the Y. W. C. A. this evening at 7:30. Mrs. Fred Ohrt, who before her marriage was Miss Desmond Kelley and who has had much experience on the professional stage, will be the instructor.

The course will be conducted under the head of the educational work and is planned primarily for business women. It is expected that the dramatic class will produce several plays this year. In addition to dramatics musical work will not be neglected. Ernest Kaal's class, which was started last Friday evening, has now more than 30 members enrolled.

Mrs. Russell's class in household efficiency, and Miss Annetta Dieckmann's class in English composition, are receiving a large enrollment. The course of work given by Mrs. King in sewing has proved to be a popular one.

Courses in religion with Dr. Williams and David Cary Peters are already receiving a large enrollment and a large number attended the first lecture on "Christ and Some Modern Problems," which was given by Dr. R. D. Williams on Thursday evening. The course on the "Romance of the Books" will begin next Tuesday evening.

COURT TO HEAR KEOHOKALO'S PLEA ON OCT. 23

Indictment Charges Paia Postmaster With Embezzlement of \$2676

Thirteen counts in an indictment charging him with having converted to his own use certain postal money order funds were read in federal court today to Morris K. Keohokalo, former postmaster at Paia, Maui, and delegate from Hawaii to the Democratic national convention, whose alleged defalcations amount to \$2676.

Keohokalo was arrested in San Francisco following an investigation of the affairs of his postoffice by T. J. Flavin, postoffice inspector. When arraigned today he was represented by Attorney E. A. Douthitt, who asked that, because of "special circumstances," plea be deferred until 10 o'clock next Monday morning. The defendant is now in jail, having been unable to obtain bond.

According to the indictment, Keohokalo converted postal funds to his own use at various dates as follows:

March 12, 1915, \$100; June 23, \$100; July 16, \$100; July 22, \$45; July 27, \$70; July 29, \$50; July 31, \$50; August 2, \$100; August 19, \$235; September 24, \$250; October 18, \$150; October 19, \$871.
